GLADYS CURRIE & VINCENT PHILLIPS SCHOLARSHIP MEMORIAL

Mr. Bill McMillan and the ReStore Warehouse established a Memorial Scholarship to honor the memory and legacy of Gladys Currie and Vincent Phillips, two long-time employees who lost their battles to cancer. Both were valued employees who were faithful to the mission and work of the non-profit organization. The ReStore Warehouse originally created the memorial for \$1000 several years ago in Gladys' name and increased the donation to \$2000. Their memories live on in the assurance that two young people will have an opportunity for a greater and brighter future.

FCCMC Giving Back Warm Hugs

Presenting the 2024 Scholarship Recipients

Cheyanne and Cali Rai Campos

Cheyanne and Cali Rai Campos are teenage sisters who at a very early age were inspired to bless others less fortunate than they. Their phenomenal story began at the ages of 4 and 5 when God planted in their hearts the desire to give back to others. Through the years, they had acquired film deals, commercial projects, and walked numerous runways, and even designing a clothing line. However, they never forgot their promise and prayer to God to bless others as He blessed them. Today, their dream grew into a real-life a 501c3 Non-profit Giving Back Warm Hugs. They sponsor three main giveaways during the year: August Kick-off for Shoes for the Soul, in December, Christmas Blessings, and in April the Shoes for the Soul Event for children of Title I Schools. At this event, every student receives 7 pair of shoes and socks. Their giving back is not limited to these three events; the Campos Sisters, through love and faith, give back all year long as needs come to their attention.

FCCMC Minister's Scholarship 2024 Recipient Reverend Jesse G. Walker

I'm married to Apostle Georgia M. Walker. We have two children, Jessica and Matthew (Taylor). I'm a native of Valley, Alabama and the son of Mr. William and Mrs. Annie Walker of Valley, Alabama. I'm a graduate of Valley High School in Valley, Alabama. I'm a graduate of Opelika Technical College in Opelika, Alabama with a diploma in carpentry and cabinet making. I served in the United States Army for four years.

I accepted Christ in 1985 and served as usher, choir member, Sunday School teacher, Minister Auxiliary Chairperson,

and currently serving as Pastor of New Hope Gospel Ministries.

I acknowledged my call into the ministry in June 1988, and was licensed by Pastor John Blackmon, First New Baptist Church in Manassas, Virginia in 1992. I was ordained by the late Bishop Jobe and the late Apostle Hattie Lathan of True Vine Temple Reasoning Center in Spring Lake, North Carolina in December 2000. In 2003, Apostle Walker and I stepped out on faith by the direction of the Lord and New Hope Gospel Ministries, Inc. was birthed. I have a compassion for God's people.

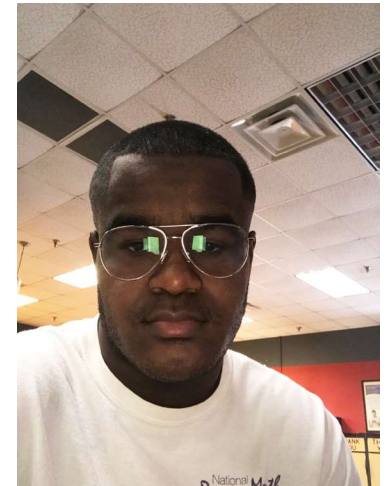

My desire is to pursue a degree in biblical studies have been a desire of mine for a long time. A higher level of biblical knowledge will enhance my understanding of the Bible. This will give me more wisdom to preach and reach the Word of God. 2 Timothy 2:15 says *"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of truth."*

The opportunity of pursuing this degree has allowed me to experience man things. I didn't think I could accomplish obtaining a degree in anything. God led me to understand I could do all things through Christ which strengthens me. I desire to be the best in everything I do. I didn't know what to expect when I enrolled. There were times I didn't think I would make it, but I'm still pressing forward. I'm accomplishing something I never thought I could do. Going back to school and taking the assigned classes I am receiving education, organization skills and moving beyond fear.
