SCHOLARSHIP MEMORIAL**

Bill McMillan and the ReStore Warehouse established a Memorial Scholarship to honor the memory and legacy of Gladys Currie and Vincent Phillips, two long-time employees who lost their battles to cancer. Both were valued employees who were faithful to the mission and work of the non-profit organization. The ReStore Warehouse originally created the memorial for \$1000 several years ago in Gladys' name and increased the donation to \$2000. Their memories live on in the assurance that two young people will have an opportunity for a greater and brighter future.

Special Thanks & Appreciation to Mr. Bill McMillan
